Discontinuation of storage services for private clients with US tax liability

Dear Sirs

As you are aware VIA MAT INTERNATIONAL has been providing a service for the storage of bullion items at its vault not only to institutions like yourselves but also to private customers. We would like to thank you for the confidence and trust you have placed in this service.

We are currently experiencing rapid and substantial changes in the general regulations within this business. These changes mainly relate to the tax structures and taxation systems of various countries.

As a consequence of these changes VIA MAT INTERNATIONAL has taken the decision to stop offering this service at its vault outside of the US to private customers with potential US tax-liability. This will come into effect by mid 2013.

This decision has **no impact whatsoever on the existing services VIA MAT INTERNATIONAL is offering to your company**, we wanted to share this information with you at first hand to avoid any potential uncertainties.

Should you require any further information, please do not hesitate to contact your usual contact within VIA MAT INTERNATIONAL.

Yours sincerely

VIA MAT INTERNATIONAL
